## Description

GAMA RAMA gallery opened its doors in September 2020 in a downtown Faro with the aim to give visibility to local artists or artists in residence in this space. Located in Rua Prior, has functioned as a hub of cultural dynamism and artistic collaboration in the areas of painting, illustration, ceramics and jewelry. This small creative incubator includes four studios for resident artists, a space for exhibitions, area for workshops for adults and children, and a store, where one can find unique pieces by regional, national artists, or artists in residence in the space.

## Internship description and main responsibilities of a trainee

Trainee is expected to give an everyday support in running a gallery, such as: preparing new exhibitions and giving a hand in set up new art work; in charge of galleries social media pages; organising new art work at the shop; welcome and give information to public about current exhibition and galleries activities; give support in events: take photos and take care of logistics; give support during workshops and give a workshop herself/himself for children.
