

Open call for Erasmus students

Torrinha artist residence offers **housing** and a **cultural program** dedicated to art students, emerging artists and creatives in the **center of Porto**.

We offer living within an international artist community, **networking support**, cultural programs and an **exhibition of your artworks** with curatorial and organizational assistance.

Who we are

Torrinha Artist residence is an **artist run organisation** that invites artists from all fields of practice and career stages, with an emphasis on highly motivated early career artists.

Torrinha artist-in-residence program is grounded on the principles of personal exploration, **professional development**, **connection**, **co-living** and **collaboration**.

Program

Torrinha's program consists of cultural immersion activities like tours and **city exploration**, as well as **visits to local galleries**, museums, artist-run institutions and **local artist studios**.

The program of the residence aims to offer conditions for residents to develop an informal critique routine, with **visiting local art professionals**.

The program is not strictly designed for artistic production, but we encourage and assist artists in **organizing open studios, workshops, exhibitions and performances**.

Location

The residence offers a communal way of living and creating amongst other artist professionals in the heart of Porto art scene. The residence's **location is in the old town Cedofeita district**, it is close to the most galleries, historical monuments and the most popular cafes and bars.
